

**2nd A World in Motion (AWIM) workshop organised by Automotive Sector, Nashik
held at CIDCO G.H., Nashik on 5th and 6th July 2008**

Nashik - Auto Sector, Nashik has conducted the 2nd AWIM workshop at CIDCO Guest House, Nashik on 5th and 6th July 2008. The highlights of the programme included 2 days special training programme for company volunteer and selected teachers from nine schools in Nashik by special faculties from SAEINDIA, Chennai namely Mr. Selvamani & Mr. Shanmugam. The training session was attended by 32 volunteers comprising school teachers & company officers. The programme was inaugurated by Mr. Nitin Ranade, Vice President- Virtual Validation and Current Product Development and Dr. Mathew Abraham, General Manager- Alternate Fuel & Advanced Technologies, both from R&D Nashik. All the models produced by participating teams had shown ingenuity and application whereby the competition was fierce and rewarding. Cmdr. Uday Vaidya, Dy. General Manager – Employee Care, Nashik Plant concluded with session on 6th July evening ; while expressing his best wishes to all the volunteers both from M&M and various schools *for taking the programme ahead*, he has in particular mentioned to the M&M volunteers to take the challenge ahead and make it a very successful project. Certain Moments captured during the training programme are as below.
